

Telepele tariffs

All codes are ready for use with Lattelecom – **to call abroad: 1030 + 00 + country code + subscriber number** (For example, to call Dublin: 1030 00 353 1 1234567). The current call tariff and your account balance will be announced after you dialed the number. The step of tariffication is 1 minute. There are no fees for the connection, our tariff announcement or the waiting time until the call is connected. The table below shows telepele tariffs in Euro per minute, which will be valid from the 01.01.2014. All prices are listed with VAT applied.
